A very fine good Morning to one and all present here on this auspicious day.

I once again heartily welcome very enthusiastically all of you on this Annual Day celebration of J.P.S. Public School.

I am indeed honoured to have this opportunity to present before you consistent upward graph of our school's achievements and I would like to thank each one of you for being a significant part of this glorious journey.

The Annual Report showcases the achievements and glories of our school undoubtedly, but also makes us think deeply about our shortcomings. We have always been committed to create an environment in the school which helps the young minds to blossom and provide a platform for individual thinking and holistic development of the child's personality.

We set standards and goals for ourselves and strive to achieve them – be it in the area of academics, sports, discipline, leadership various competitions etc.

ACADEMICS

“Learning gives creativity, creativity leads to thinking, thinking provides knowledge and knowledge makes you great”

The year 2023 commenced on a wonderful note when the results of our 10th and 12th classes CBSE Board Examination came out. We are happy to share with the details of the commendable performances of our students.

12th class CBSE result was declared and we are happy to announce that J.P.S. Public School attained 97% result with many first divisions. Total 39 students appeared and 17 got more than 80% marks with distinction in various subjects. Master Krishna Verma was the topper with 95% marks and Miss Shivangi Pathak was the Second topper with 94.2% marks.

In class 10th total 37 students appeared for the CBSE Board Examinations and we are glad to announce that in class 10th also we got 100% result. Out of 35 students 24 students got first division. Miss Mahi Singh and Master Ayush Pandey were the toppers with 94% & 92% marks respectively.

Excellence in academics is the hallmark of any good institution and classes 10th and 12th results of the school prove without any doubt that our students made us proud.

None of these achievements would have been possible without the single minded commitment and dedicated care of our teachers. We are also constantly encouraged by parents and well wishers who have shown much confidence and given their fullest support. I wish to acknowledge the efforts and guidance of our management as their collaboration and contributions have made a difference. We are still not satisfied with this result. We are aiming for the No 1 slot and have adopted various measures to achieve our goal. Extra coaching classes for the Board examinees, regular weekly tests and special counseling sessions for children are some of these steps.
